On January 19, 2016 they will be hosting their Textbook Scholarship Award Ceremony; 40-50 students are awarded $500 for textbooks and/or school supplies; they host the Alumni Tailgates at SIU footballs games. The Alumni Association also provides the Extern Program in which 80-100 students apply and are placed with a business, preferably an alumni owned business, and work there over spring break; they work with a company in chosen career field and/or work on a particular project. The Alumni Association is primarily funded by dues paying members; currently there are 17,000 dues paying members. One way of promoting involvement in the association is activities with local chapters. More information can be found on the Alumni Association website [http://www.siualumni.com/s/664/2012/start.aspx](http://www.siualumni.com/s/664/2012/start.aspx).
