Guest:

Tommy Bell, SIUC Athletic Director, greeted the Council and thanked them for the opportunity to join them; Bell was associate director of institutional advancement for Saluki athletics from 2001 to 2007; during that time he was the architect for the Saluki Athlete Scholarship Fund; the vision for intercollegiate athletics is rooted in over 100 years of history; SIU student athletes are expected to have academic excellence; Bell asked if anyone has noticed the white trailer parked beside Davies Gym; it is a new initiative of the Missouri Valley Conference and is used to broadcast ESPN3 athletic events which can be viewed on your smart phone; it is a blend of athletics and academics; it is an opportunity to grow the academic area of broadcasting; the accumulative GPA for the 425 SIU student athletes is 3.11.

A question was asked about how incoming freshman are helped with adjusting to college academics. Bell responded by saying that the NCAA requires every student athlete to be a certified Division 1 student athlete; to be certified, the students have to pass 16 core courses which are taken over a four year period of time while they are in high school; these classes cannot be taken in just the last two years of high school; they have to be taken over four years; the student athletes pay a $70 fee to submit their information in to a national database; it is
