V. **Reports**

A. **Council President**

1. **Constituency Heads Meeting** – Scheduled for September 26.

2. **Board of Trustees Meeting** – Next meeting is September 14 at SIUE Alton campus; Travelstead circulated the Board agenda and drew attention to item V on the agenda; Edwardsville is requesting a 2% pay increase retroactive back to June 2016 and an additional 2% as of July 2017; K. Wece asked who is making the SIUE salary increase request, the Council President or someone else; E. Cheek read a section from item V-1 on the Board agenda, “The plan is consistent with the discussions the Chancellor has had with constituency leaders.” Cheek added “The salary increase would apply to non-represented employees and to those in unions which have a closed contract containing a salary change clause benchmarked to non-represented salary adjustments. Working with the Chancellor, the President will determine the eligibility guidelines. For those in unions which have open contracts, compensation will be part of the contract negotiations.” Travelstead stated that all of that information is in the Board agenda which is currently being circulated around the table.

T. Moore asked if there is an agenda for the Constituency Heads meeting. Travelstead said there is usually not an agenda; the Chancellor usually just talks about four or five things; the constituency heads ask questions or comment on what the Chancellor spoke about.

T. Gerecke asked Travelstead if there is anything in particular that he plans to bring up at the Constituency Heads meeting. Travelstead said he is asking about salary increases; Range employees have only had a 7% salary increase over the past 12 years which is not keeping up with the increased cost of living; it is understood that the drop in enrollment and State budget
issues negatively affect things, but we want to make the new Chancellor aware that we are looking for salary increases if not now then somewhere close down the road.

T. Gerecke stated that some information regarding the history of Range employee salaries has been gathered, but the committee has not met to discuss that information; Gerecke asked if Travelstead would want the information from the committee before the Constituency Heads meeting; Travelstead said yes, having the information before would be great.
