

Performance Evaluation Form Review Committee

The Performance Evaluation Form Review Committee has met twice, initially on March 19, and again on May 8, 2019. At the March meeting, Tracy Bennett explained the rationale for revising the forms. Examples of Civil Service and A/P performance evaluation forms from several other institutions were reviewed and discussed. The committee made recommendations for changes to the SIU Carbondale evaluation forms. Drafts of the revised forms were reviewed at the May meeting. Further suggestions were offered and will be incorporated before the drafts of the revised forms are presented to Judy Marshall. No future meetings have been scheduled at this time.
