**Re: University – Level Staff Excellence Awards**

Dear Committee Members,

Thank you for serving on the committee to select the University – Level Staff Excellence Award recipients. These awards were established to recognize staff who continually strive towards excellence while keeping the primary mission of the University, educating students, in focus.

Your participation in selecting and recommending Renada Greer and Julie Virgo for the University - Level Staff Excellence Awards is most appreciated. The award recipients have been contacted by the Chancellor's Office.

Sincerely,

Judy Marshall  
Vice Chancellor for Administration and Finance  
Chair, University-Level Staff Excellence Award Committee
