

Subject: Search Committee for Dean, College of Health & Human Sciences  
Reported: May 5, 2021

Submitted by Tina M. Price, Civil Service Council Member

Dean John Pollitz, Library Affairs, is chairing the committee. He submitted the names of five candidates the committee selected to move forward in the interview process.

The committee received authorization to conduct virtual interviews with the references of the Dean candidates. Committee members were grouped together in teams of two and assigned two-three references to contact; all interviews to be completed before the end of April.

On April 19<sup>th</sup> University Communications and Marketing posted an announcement of scheduled virtual Zoom forums with the CHHS dean finalists. These forums will include separate sessions for Faculty/Staff and Students. A separate session has also been scheduled for the Search Committee to interview each of the final candidates.

Links to candidates' CV, YouTube and bios were included in the announcement and can be found at <https://pvcaa.siu.edu/searches/>.
