Re: FY13 Salary Increase

Dear President Harvey,

On behalf of the non-negotiated civil service employees at Southern Illinois University, the members of the Range Committee of the Civil Service Council, make to Chancellor Cheng the following recommendation for distribution of the FY13 salary increase.

Our understanding of the minutes of the December 7, 2011 Board of Trustees meeting is that the President has been authorized to approve a projected salary increase of 1% (effective July 1, 2012) for FY13. We respectfully request President Poshard and Chancellor Cheng to distribute a 1% across-the-board increase to all non-negotiated civil service employees. Further, the minutes indicate that the President will assign another increase of 2% (effective July 1, 2013) for FY14, and we respectfully request President Poshard and Chancellor Cheng to distribute an equivalent across-the-board increase to all non-negotiated civil service employees.

Respectfully submitted by the Range Committee of the Civil Service Council SIU:

Patrick Brumleve, University Housing, Council Secretary
Elizabeth Cheek, Plant and Service Operations
Diane Frew, Career Services
Shari Garnett, College of Business
Tina Gerecke, University College
