# *A Thank You From the Civil Service Council*

On behalf of the SIU Carbondale Civil Service Council, we would like to thank our fellow staff members for their collaborative effort over the past year to help increase enrollment. Staff are the heart of the university and many of you go above and beyond to not only assist with recruitment and retention, but to take students in as family during their college careers. Whether it is the office worker that they call their mom away from home or the custodial worker or cook that lends a listening ear when a student needs it the most – making students feel valued, supported, and appreciated is always your top priority and that is what our students will remember the most after graduation.

Staff serve daily as the face of Southern Illinois University Carbondale and to have a headline of “SIU Carbondale has highest enrollment jump in 33 years, bucks recent national trends” is something to be extremely proud of. Overall enrollment for Fall 2024 grew 3.8% to 11,790, or 431 more students than last year and that is a direct result of your efforts. Your commitment, dedication, encouragement, and Saluki spirit are what makes SIU Carbondale stand out above the rest. We are honored to be your colleagues and to serve in a role representing you everyday. Your continued dedication is crucial to the success of SIU Carbondale and our students. Your efforts do not go unnoticed and are very much appreciated. Thank you for always putting students first and showing them what it means to be a true Saluki. Keep up the great work! Go Dawgs!

With Saluki Pride,

*SIU Carbondale Civil Service Council*

# Congratulations

This Spring, the SIU Carbondale Civil Service Council's Education Assistance Committee (EAC) awarded 43 students with scholarship education awards. Each student received \$150 towards their tuition and fees. EAC raises money for scholarships through fundraising activities during the academic year. For more information on the award and who qualifies you can read more on our website [here](#).
