III. **Review bylaw meeting attendance policy (Article II Section VII-A4)** – The purpose of the review was to propose the Council to stay this specific bylaw section so we will not hold members to the regular attendance policy should they not be able to attend virtual meetings because of the shelter-in mandate. We realize not all members may have regular access to internet to allow for attendance.

Motion: S. Newman

VI. **Reports**

A. **Council President**

1. **Constituency Heads Meeting** – The April 16 meeting was cancelled.

2. **Board of Trustees Meeting** – The April 30 meeting was held virtually. A. Travelstead was unable to attend.

B. **School of Medicine Civil Service Council** – No report. Next meeting is Wednesday May 13.

C. **Annuitants Association** – C. Harvey – No report.

D. **Human Resources** – J. Watson – The Benefits Choice period has begun and all changes must be completed online. J. Watson also reminds everyone that information regarding benefits choice options is available in online virtual fairs instead of in person. S. Newman added that the first virtual fair was scheduled Monday, May 4 from 3pm to 4pm and she did attend. She notes there were a lot of good questions and a lot of good information coming out of these virtual fairs. The hosts kept the webcast online until 5pm after they answered every question submitted in the chat. M. Shields asked if hiring from the registers had restarted yet. J. Watson said, due to the shelter-in, those types of hires are not allowed because they would require in-person contact. She clarified that hiring is still happening for custom classes but examinations are not allowed at this time so any hiring that requires an examination is not happening at any school in the state of Illinois. She also stated there is discussion about open positions and what SIU will look like if everything is online as we approach the fall and that outlook remains unknown.

5. **Elections** – S. Newman – The committee met electronically. S. Newman sent a poll to the group to determine how to proceed with elections since they should have been completed and new members seated at the second May meeting this day. Staying within the bylaws, the group has agreed to extend the current terms of all members that had expiring terms and postpone the remainder of the elections process until the first of the month following all employees’ return to campus. This was presented to and voted on by the entire Council electronically as well. The committee felt this was the fairest way to ensure that all civil service employees had equal opportunity to vote and all candidates had best possible voting responses since some employees may not have access to internet at home during the shelter-in.

Brant asked if the Board met on April 30 and just not selected a candidate and A. Travelstead confirmed.

VII. **Old Business** – None

VIII. **New Business** – S. Newman has created a Microsoft Team for Civil Service Council. She did a brief overview on Microsoft Teams for the group and gave a short tour of the different components where files can be stored, shared and collaborated amongst various Council committees and where communications can commence within specific groups/committees. She also showed how and where Teams files are synced and accessible to each member in OneDrive.
